

GNHW Scholarship Application

Name _____

Address _____

City _____ State _____ Zip _____

Phone _____ email _____

Activity Title _____

Activity location _____

Activity dates _____

Please answer each of the following questions on a separate sheet of paper.

1. Describe how you would use the GNHW scholarship (e.g. attend a symposium, workshop or school; enable a special project; cover teaching expenses; etc.)
2. Sharing what you learn is an integral part of the GNHW mission and this program. As we consider your application we would like you to explain how you will share your experience with the membership of the Guild. Some options are to host a small Guild meeting, to demonstrate at the Sunapee fair, to provide a raffle item for the fair, or to write an article for the Old Saw or Journal.
3. What are your expenses? Acceptable expenses are course tuition, consumable materials required for the class, mileage at \$0.14 a mile and lodging. **Local or regional courses are encouraged.** Scholarship requests should not include tools or food. Proof of participation must be received within one year or the scholarship will be withdrawn. If approved, please indicate how you want the payment made. The payment can be made to you after the completion of the event with proof of participation, or payment can be made directly to a school with the submission of a bill.
4. We announce all scholarships at meetings and on the website. Please indicate if you would like to remain anonymous.

Please submit completed applications to:

Peter Breu, Chair • 301 Whitford St. • Manchester, NH • 03104
