The Newsletter of the Guild of New Hampshire Woodworkers

by Claude Dupuis

Roger Myers

The Guild, its participants, members and volunteers are always on the move and changing. Roger Myers resigned his seat on the Steering Committee and as editor of The Old Saw due to conflicting schedules and new endeavors with his woodworking business. Roger was engaging and outspoken and that's what people liked about him. He will be sincerely missed at the Steering Committee level where he was admired for his ability to sway opinions with good sound reasoning.

Roger was editor of The Old Saw for the past several years and although he will no longer be able to continue in that role, he plans to

remain active with the Guild. He will be standing in for Matt Wadja for two sessions (BIG subgroup), and he recently hosted a Small Meeting at his new shared woodworking shop. And he is a member of this year's Woodturning Symposium committee. So, as you can see, Roger continues to give of his time and talent.

Thank you Roger. You will be missed at the Steering Committee level.—Claude Dupuis ●
